and, it's going to be tough for me to do, but i have to learn to take a step back, or take the enterprise mentality for new gadgets.

and i actually do have 2 questions for you if you do not mind. could it be simply me or does it give the

increasingly frustrated by homer's inability to recognize how his actions affect his marriage, marge drags him to a therapist, who persuades her to finally leave him

but stories don't help if they don't have a reasonable call for action based on where we are at on our journey
